## 2010 Recommended Immunization Schedule Program Letter Now Posted on EZIZ!

Dear VFC Provider,

As announced during the 2010 VFC Program Recertification, VFC has now switched to an all-electronic communication of official VFC Program letters through e-mail!

All participating providers were automatically added to the program's electronic mailing list upon completion of their practice's 2010 VFC Program Recertification.

The first electronic mailing, **the 2010 Recommended Immunization Schedule Program letter**, has been e-mailed to your practice's official e-mail address (Physician-in-Chief's e-mail) and to any additional e-mail addresses provided for designated staff. You may find copies of the e-mailed document posted in the "Letter and Fax" section of VFC's website, [www.eziz.org](http://www.eziz.org).

If you have not have not completed your 2010 recertification, we urge you to visit [www.eziz.org](http://www.eziz.org) and click on the "2010 Provider Recertification" link to complete the required forms as soon as possible to prevent any unnecessary delay in the processing of your vaccine request.

Would you like to have additional staff receiving communications via e-mail?  
Visit our website at [www.eziz.org](http://www.eziz.org) and register to receive electronic updates.
