VFC Office Closures due to State Furloughs

Dear VFC Provider,

On July 1, 2009, California's Governor issued an executive order directing all State offices to close on three Fridays of every month as a cost saving measure to the state budget. Beginning July 10, 2009 the Vaccines for Children Program Office will be closed three days a month.

During the month of July, VFC will be closed on **Friday July 10th, 17th, and 24th**. Starting in August 2009, offices will close the 1st three Fridays of each month.

VFC's Customer Service Center will be closed and unavailable to answer your calls or process any vaccine requests during the closure days. We ask that you place your vaccine requests with sufficient vaccine inventory on hand to allow 3-4 weeks for the processing and receipt of your vaccine request.

We thank you for your patience and cooperation.

If you have any questions, please call a VFC Customer Service Representative at 1-877-243-8832.
