

Final VFC Mailing!

VFC is “going green” – future VFC letters will be emailed to you. By switching to all-electronic communication, the VFC Program is not only saving trees, it will get news to you faster.

You will be signed up automatically after submitting your 2010 recertification form on eziz.org. You can also send an email to eziz@cdph.ca.gov with “subscribe” in the subject line.

Once you’re signed up, you’ll receive periodic updates on the latest immunization resources in addition to news from the VFC Program.
