	-15°C																								
	-16°C																								
	-17°C																								
	-18°C																								
	-19°C																								
	≤ -20°C																								

Instructions for Temperature Log:

Check both temperatures twice a day, each working day of the month. Place an "X" in the boxes that show the temperatures you read in the morning and afternoon; enter your initials and the time in the boxes at the top of the day's column. Use a new form each month and save in a file at month's end for one year.

If the temperature is too high or too low:

1. Store the vaccine under proper conditions as quickly as possible.
2. Call your VFC Representative.
3. If he/she is not available, call **VFC Customer Service at 1-877-2GET-VFC (1-877-243-8832)**
