All influenza vaccines are stored in the refrigerator (including FluMist®). Questions: Toll-free: 877-2Get-VFC (877-243-8832)

1. Since July 1, 2006, California law (Health and Safety Code 124172) requires children younger than 3 years of age and pregnant women receive preservative-free influenza vaccine.
2. Contains preservative.

 These vaccines are available through the Vaccines for Children Program in 2011-2012 and can only be used for VFC eligible children through 18 years of age.
