

# Vaccine Acronyms & Abbreviations for Providers

Vaccine names are often abbreviated. Here are some common ones. California Immunization Registry (CAIR2) codes may differ for certain vaccines. Use this chart as a reference.\*

| CDC Abbreviation                   | CAIR2 Code               | Brand Name                             | Vaccine   |
|------------------------------------|--------------------------|--|---|
| BCG                                | BCG-TB                   |  | Bacillus Calmette-Guérin (Tuberculosis)                                       |
| DT                                 | DT-Peds                  | several manufacturers                  | Diphtheria & Tetanus  |
| DTaP                               | DTaP                     | Daptacel®, Infanrix®                   | Diphtheria, Tetanus, & Pertussis  |
| DTP                                | DTP                      |  | Diphtheria, Tetanus, & Pertussis  |
| DTaP-HepB-IPV                      | DTaP-HepB-IPV            | Pediarix®                              | Diphtheria, Tetanus, Pertussis, Hepatitis B, & Polio                          |
| DTaP-IPV                           | DTaP-IPV                 | Kinrix™, Quadracel™                    | Diphtheria, Tetanus, Pertussis, & Polio                                       |
| DTaP-IPV/Hib                       | DTaP-IPV/Hib             | Pentacel®                              | Diphtheria, Tetanus, Pertussis, Polio, & <i>Haemophilus influenzae</i> type b |
| HepA                               | HepA                     | Havrix®, VAQTA®                        | Hepatitis A   |
| HepB                               | HepB                     | Engerix-B®, Recombivax HB®, HEPLISAV-B | Hepatitis B   |
| HepA-HepB                          | HepA-HepB                | Twinrix®, Twinrix Junior®              | Hepatitis A & Hepatitis B   |
| Hib                                | Hib                      | ActHIB®, Hiberix®, PedvaxHIB®          | <i>Haemophilus influenzae</i> type b  |
| Hib-HepB                           | HepB-Hib                 | Comvax®                                | <i>Haemophilus influenzae</i> type b & Hepatitis B                            |
| HPV9, 9vHPV                        | HPV                      | Gardasil®9                             | Human papillomavirus (9-valent)   |
| IIV4, ccIIV4, IIV3, aIIV3, HD-IIV3 | Flu                      | several manufacturers                  | Inactivated Influenza Vaccine (injectable)                                    |
| LAIV 4                             | Flu (nasal)              | FluMist®                               | Live Attenuated Influenza (nasal spray)                                       |
| RIV4                               | Flu                      | FluBlok                                | Recombinant Influenza Vaccine (injectable)                                    |
| IPV                                | Polio                    | IPOL®                                  | Polio   |
| MenB                               | MeningB                  | Bexsero®, Trumenba®                    | Meningococcal serogroup B   |
| MMR                                | MMR                      | M-M-R® <sub>II</sub>                   | Measles, Mumps, & Rubella   |
| MMRV                               | MMRV                     | ProQuad®                               | Measles, Mumps, Rubella, and Varicella  |
| MCV4                               | MCV4                     | Menactra®, Menveo®                     | Meningococcal conjugate (quadrivalent)  |
| MPSV4                              | MPSV4                    | Menomune™                              | Meningococcal polysaccharide (quadrivalent)                                   |
| OPV                                | Polio-oral               | Orimune®                               | Polio   |
| PCV13                              | PCV13                    | Prenar 13®                             | Pneumococcal conjugate (13-valent)  |
| PPSV23                             | Pneumonia Polysaccharide | Pneumovax®23                           | Pneumococcal polysaccharide (23-valent)                                       |
| RV1                                | Rotavirus, Monovalent    | Rotarix®                               | Rotavirus   |
| RV5                                | Rotavirus, Pent          | RotaTeq™                               | Rotavirus   |
| Td                                 | Td                       | Tenivac™, Td Vaccine (Grifols)         | Tetanus & Diphtheria  |
| Tdap                               | Tdap                     | Adacel®, Boostrix®                     | Tetanus, Diphtheria, & Pertussis  |
| VAR                                | Varicella                | Varivax®                               | Varicella   |
| HZV, RZV, ZVL                      | Zoster                   | Shingrix, Zostavax®                    | Shingles/Zoster   |
